

DIARY NOTES - 24 July.

STATINTL

he had no complaints and felt that the punishment was entirely justified and wanted to thank me for my help and forthrightness in the matter.) (See Memorandum for the record for further details on this.)

2. Gordon Stewart telephoned in connection with the GEHA Board's ~~solution~~ resolution to increase hospitalization and surgical insurance premiums by about ten per cent. I told him that I saw no alternative and to go ahead and disseminate the necessary publicity.

STATINTL

there in 1956, was in to say hello and goodbye prior to his departure for the Air War College.

5. Mr. Hutchinson, Bob Macy's Deputy at the Bureau of the Budget, came over to see me about the Agency's attitude toward a request by USIA for supplemental appropriation in the amount of \$23,000,000 to augment their radio broadcasting facilities. After ~~talking~~ discussing the matter with [redacted] and the Director, I informed Mr. Hutchinson that the radio stations proposed in Iran and Ghana raised some question as to whether these should have the official U. S. flag flying or an indigenous flag. However, this question would in due course come before the Radio Policy Committee and could be settled at that time. Under no circumstances would we want to pass judgment on or interfere in any way with the USIA request. (See Memorandum for the Record.)

STATINTL

6. Attended a Supergrade Review Board Meeting at which [redacted] promotion to grade GS-16 was approved. (See Memorandum for the Record for other details.)

STATINTL

7. I asked General Cabell to give me some guidance as soon as possible on what to do about the changes which the Director proposes to make in the Executive Pay Scale.
